"I just wanted to send an email to say Thank You. My move with you on Monday (Poplar to St Hildas) went fantastic.

The young men who did the move are a credit to your company. They were polite, helpful, funny and made everything feel so relaxed. They were so quick, yet so efficient. I have to say I have moved quite a few times and have never felt so relaxed about it as I did on Monday.

If anyone was to ask about removals you would be the ones I strongly recommend. Your patience from the day of the quote 'til the day I got the keys was also appreciated, thank you.

So a massive thank you to you all, you really did help my move run smoothly and less pressure."

Kind regards
T A
